#### *A Namkaian O Usiaana Vuputkai?*

<sup>1</sup> Mu lamavaang ti Galesia! Nase' fo familung a namkaian simi? Senaso paamua, a masaman simi a matavas sena malasuf ina maatan si Yesus xuluna bolo. <sup>2</sup> Xuusau pana saxa mo aanabe': mi siak a Vovau sina Piran pana usiaana vuputkai o pana namkai sena Lagasai Roxo aava mi langaie? <sup>3</sup> E malaafaa tuuna a lamonan simi fetavanat? A vovau sina Piran fasavat a namkaian simi e naboxo mi lamon o mi taa tigina fatak la matana Piran pana tateaxan simi xa, bo? Piau paaliu! <sup>4</sup> A maana maasaxan aava savat simi, ri xavang nami o ri savat palau mon? A tuuna, ri pife savat palau. <sup>5</sup> E voxo no lamon malaafaa? A Piran a tavai nami pana Vovau Xaradak e a vesan a maana mo fa'ipul la palou imi senaso mi usi a vuputkai o senaso mi namkai sena Lagasai Roxo aava mi langaie?

<sup>6</sup> E naboxo lamon pana vilaana si Abraham: lana Xakalayan Taap a kuus, "Nane namkai sena Piran e sena namkaian sina, a Piran a xalie pana mataa fatak paaliu." *Tpt 15:6*

<sup>7</sup> E mi taa masam faroxo naboxo o a mu pabung tuuna si Abraham va mu rabuna ina namkaian. <sup>8</sup> Lana Xakalayan Taap a kuus o a Piran taa fatiginei fatak a mu rabuna aava ri pife Juda sena namkaian siri. E a Piran a xuus na Abraham pana Lagasai Roxo layaan a kuus fanai xe sina malaan: "A mu rabuna xapiak ri taa siak a roxoyan sema." *Tpt 12:3*

<sup>9</sup> Na Abraham a namkai e a Piran a tavaie pana roxoyan. E voxo nari aava ri namkai, a Piran taa lisan a roxoyan xe siri xuvul pa Abraham.

<sup>10</sup> Nari aava ri usi a vuputkai talo a Piran i taa xali nari pana rabuna fatak, ri taxa waan lapaana fakasanaman sina Piran. Senaso a Xakalayan Taap a kuus malaan, “Nase' pife usi vulan a xakalayan xapiak aava waan lana vuputkai si Moses, i taa waan lapaana fakasanaman sina Piran!” <sup>11</sup> Naboxo, a matavas malaan: pi ta mataa i taa tigina fatak la matana Piran sena usiaana vuputkai, senaso a Xakalayan Taap a kuus, “Nase' ta mataa a tigina fatak la matana Piran sena namkaian, nane sang mon i taa to.”

*Vpt 27:26*

<sup>12</sup> Taasaxa, fufuna vuputkai va pife namkaian, piau. A Xakalayan Taap a kuus, “Tamo ta mataa a vil a maana mo xapiak ina vuputkai, nane taa siak a toyan vulai xe vulai sena.”

*Hkk 2:4*

<sup>13</sup> Taasaxa na Krai a maraan fa'uli netaara xasena fakasanaman aava vuputkai a lisanmaane, senaso nane xa a waan lapaana fakasanaman sina Piran la nobina sitaara. A Xakalayan Taap a kuus,

“Nase' ta mataa a fataxutanan xuluna wai i taxa waan lapaana fakasanaman sina Piran.”

*Vlp 18:5*

<sup>14</sup> E na Krai a maraan fa'uli netaara pana maatan sina talo a roxoyan aava Piran fo kuus fanai pana xe si Abraham, i taa savat se Krai Yesus xe sina mu rabuna aava ri pife Juda. E vaxa talo netaara aava taara namkai sena, taara taa siak a Vovau Xaradak aava Piran fo kuus fanai pana.

#### *A Vuputkai E Kuus Fanaian*

<sup>15</sup> Mu fetinan, ne taa xuus nami pana saxa vilaana ri fuuna vile la maana yaan: layaan a rovaat re turoxo pana saxa mo e re xalei a fakalimaanana ina turoxoian sire, pi ta xasa mataa i taa kawaasan a turoxoian sire o xavange pan' ta mo fulaa. <sup>16</sup> E malaanabe' a Piran fo vesan a mu kuus fanaian xe si Abraham e a buna. A pife kuus pana “pabung”, a malasuf ina ve rabuna xaves, taasaxa i taxa kuus pana “buna”, a malasuf ina ve mataa saxa mon e a isina na Krai. <sup>17</sup> A so ta mo ne taxa kuus pana a malaan: a vuputkai aava savat la mariaas 430 lamina kuus fanaian aave, pife kawaasan a turoxoian aava Piran fo fakalimaanana pana, talo a kuus fanaian i taa pife savat la matavas. <sup>18</sup> E tamo a tatavai xatam sina Piran a savat sena vuputkai, lavaxa pife savat sena kuus fanaian sina. Taasaxa, a Piran lana xakaavangan xatam sina, a lisane xe si Abraham sena kuus fanaian.

#### *A Faisok Ina Vuputkai*

<sup>19</sup> A fufuna vuputkai va so? A Piran a lisan a vuputkai xena faxalit netaara pana vilaana saat va so. E nane feng a mu angelo xena lisan a vuputkai xe sina rabuna e toyan a memai ina lisan a luai vaxa aava tigina la palou i Piran e mu rabuna. E a vuputkai aave i taa waan fefexaxaas a filimaanana sina bu Abraham, nane aava Piran fo vesan a kuus fanaian pana.

<sup>20</sup> Taasaxa layaan a Piran a lisan a kuus fanaian xe si Abraham, piau ta memai ina lisan a luaian a tigina la palou ire senaso a Piran xa a ferawai fatak xe si Abraham.

<sup>21</sup> Naak a vuputkai a tisui a kuus fanaian sina Piran, bo? Piau, piau paaliu! Senaso tamo rabuna ri fo siak a vuputkai aava fexaxaas sena lisan a toyan xe vulai, lavaxa a rabuna xapiak ri taa tigina fatak la matana Piran pana usiaana. <sup>22</sup> Taasaxa, a Xakalayan Taap a kuus o a xavala xapiak a pisan lapaana vilaana saat talo a maana mo ina kuus fanaian aava savat sena namkaian se Yesus Krai, i taa savat siri aava ri namkai.

<sup>23</sup> Taasaxa paamuina yaan a namkaian a savat, a vuputkai a bugut netaara fefexaxaas a yaan a namkaian a savat tuuna la matavas. <sup>24</sup> E voxo a vuputkai a ti faxatang netaara xena lisan netaara xe si Krai talo taara taa tigina fatak la matana Piran sena namkaian.

<sup>25</sup> E naboxo a yaan ina namkaian fo savat xo e a vuputkai i taa pife faxatang fulan netaara.

<sup>26</sup> Nami xapiak, mi rafulak sina Piran lana xuvulaian xuvul pa Krai Yesus <sup>27</sup> senaso mi fo fasufan, mi fo fadoxotan nami xuvul pa Krai e mi fo xafut nami xa pa Krai. <sup>28</sup> E piau ta Griik o Juda, piau ta yaasok o nari aava ri pife yaasok e piau ta tomexaan o lutefin, senaso nami xapiak mi saxa lana xuvulaian xuvul pa Krai. <sup>29</sup> Tamo nami ve si Krai, lavaxa nami ve mi mu bu Abraham e mi taa siak a maana mo aava Piran fo kuus fanai pana xe sina.

<sup>1</sup> A mo ne taxa ferawai pana a malaan: saxa mataa a toxan a lak saxa e saxa yaan a lak aave i taa tao a maana mo si tamana, taasaxa layaan i taxa lak modak lunai a malaan sena yaasok. <sup>2</sup> Na tamana lak i taa siak fati a saxano rabuna xena faxatangaana maana mo sina fefexaxaas a yaan nane kuus pana. <sup>3</sup> A malaan setaara vaxa: a vilaana ti la xavala e mu vovau aava ri paamuian a xavala, ri fayaasok netaara lana modaxan sitaara. <sup>4</sup> Taasaxa, layaan a yaan fatak aave xo savat a Piran a feng a Natuna xe sitaara. E saxa tefin matatuuna malaan setaara a luxe e nane waan lapaana vuputkai <sup>5</sup> xena maraan fa'uli nari aava ri yaasok lapaana vuputkai aave talo taara taa savat rafulak tuuna sina.

<sup>6</sup> E senaso nami ve mi rafulak sina, a Piran a feng a Vovau i Natuna xena waan la xunus itaara. E a Vovau aave a kel, "Papa, Tamaang." <sup>7</sup> E voxo mi pife yaasok naboxo, nami ve mi mu rafulak sina. E tamo Piran fo fa'isin nami pana mu rafulak sina, lavaxa nane taa tavai nami pana maana mo xapiak aava nane toxane.

*Na Pol A Lamon Faaxaves Sena Mu Galesia*

<sup>8</sup> Layaan mi pife texaas sena Piran lunai mi yaasok xe sina maana mo aava ri pife piran. <sup>9</sup> Taasaxa, naboxo mi texaas sena Piran, naak a mo roxo ne taa kuus o a Piran a texaas semi. Malaafaa mi taxa puk fa'uli fulan nami xa sena Piran xena usi fulan a mu vilaana palau ti la xavala aava ri marupak? Mi taxa buk yaasok fulaa lapaari, bo? <sup>10</sup> Mi taxa usi fatak a maana yaan e fulun e mariaas. <sup>11</sup> Ne taxa mamaxus semi. Naak ne fo faisok palau la palou imi, bo?

<sup>12</sup> Kamu fetinan, ne nung faagutan nami, savat malaan sega senaso ne fo savat malaan semi. Mi pife vil a mo mosaat xe siak. <sup>13</sup> Taasaxa mi texaas o a fufuna waanan siak xuvul pami ve giisan e lana yaan aave ne kuusan fasavat a Lagasai Roxo xe simi. <sup>14</sup> Naapalaan a giisan siak a timin a lagafan xulumi, mi pife kaalum fasivi xulok o baianau, piau. Mi faamamaas pana kasaana lifu simi xe siak malaan se' nenia, ne angelo sina Piran o na Yesus Krai xa. <sup>15</sup> A so ta mo fo siak tapin a faamamaasan simi? Nenia xa ne kuus tuuna o mi tafo put tapin a matami xena tavaiau pana tamo mi fexaxaas. <sup>16</sup> Naboxo ne fo xaiyaas simi senaso ne xuus nami pana tuunayan, bo?

<sup>17</sup> A rabuna ina fepitaa bit ri taxa faisok faagut xena yuuf tapin nami sega talo mi taa usi faagutan nari. Taasaxa fufuna faisok siri pife fatak. Ri buk fepatoxan netaara talo mi taa tigina xuvul pari e tisui. <sup>18</sup> Taasaxa a roxo tamo mi taa faisok faagut pana maana mo roxo la maana yaan xapiak e pife la yaan aava ne waan xuvul pami mon. <sup>19</sup> Mu rafulak siak, nenia, ne malaan sena ninana lak layaan i taxa rao i luluk: ne taxa maasak fulaa semi fefexaxaas a yaan layaan mi taa bas pa Krai. <sup>20</sup> Ne vubuk rao ne taa waan xuvul pami naboxo talo ne fexaxaas sena xul a ferawaian siak senaso ne pife masam faroxo semi!

*A Ferawaian Paap Se Hegaar Nare Sera*

<sup>21</sup> Ne buk fin nami aava mi buk waan lapaana vuputkai, xenaso mi pife langai sena? <sup>22</sup> Senaso a xaleian o na Abraham a toxan a ro lak tomexaan taragua: saxa sina tefin yaasok e saxa sina tefin aava pife yaasok. <sup>23</sup> E a lak sina tefin yaasok aave a luxan lana vilaana sina matatuuna taasaxa lak sina tefin aava pife yaasok a luxan sena kuus fanaian sina Piran.

<sup>24</sup> A mo aanabe' a malaan sena ferawaian paap: a ro tefin aave re malaan sena turoxoian taragua. A saxa va malaan sena turoxoian aava savat ti xuluna Put Sainai. A turoxoian aanabe' a fasavat a mu rafulak aava ri yaasok e a tefin aanabe' a isina na Hegaar. <sup>25</sup> E na Hegaar ve malaan sena Put Sainai pe Erebia e nane a xaxaalua ina bina Jerusalem aava waan naboxo senaso i taxa yaasok xuvul pana rafulak sina. <sup>26</sup> Taasaxa, a bina Jerusalem aava waan laa'ui, pife yaasok e nane ve na ninataara. <sup>27</sup> Malaan sena Xakalayan Taap a kuus:

"Faamamaas, nano aava no tefin mala! Xukulai pana faamamaasan nano aava no pi nasam a maasaxan ina luluuxan.

Senaso a tefin aava pi luluk, i taa toxan a rafulak xaves paaliu sena tefin aava taagul xuvul pa lavana."

*Ais 54:1*

<sup>28</sup> E naboxo, mu fetinan, nami ve mi mu rafulak sina Piran sena kuus fanaian malaan se Aisaak. <sup>29</sup> E lana yaan aave a lak aava luxan sena vilaana sina matatuuna a vil pengan a lak aava luxan sena gutan sina Vovau. E tanin re taxa vil malaan lunaiane. <sup>30</sup> Taasaxa, a Xakalayan Taap a kuus malaafaa?
